DRAFT

MINUTES OF THE PUBLIC MEETING OF THE BOARD OF GOVERNORS OF VANCOUVER COMMUNITY COLLEGE HELD ON FEBRUARY 15, 2017 AT THE DOWNTOWN CAMPUS

Board Members:	Pam Ryan (Chair), Dee Dhaliwal, Mike Tourigny, Howard Grant, Sumit Ahuja, Garth Manning, Janet Crawford, Danica Kong
Ex-Officio:	Peter Nunoda (President & CEO), Todd Rowlatt (Chair, EdCo)
Board Secretary:	Deborah Lucas
Staff Resources:	Marlene Kowalski, Kathryn McNaughton
Guests:	Karen Shortt (VCCFA), Tiffany Ottahal (SUVCC)
Regrets:	Stephen Kukucha, Erin Klis, Brenda Aynsley

1. CALL TO ORDER

The meeting was called to order at 5:39 p.m. by P.Ryan. D. Lucas acted as Secretary of the meeting. P. Ryan declared the meeting to be properly called and constituted.

2. APPROVAL OF CONSENT AGENDA

UPON MOTION duly moved, seconded and unanimously resolved:

THAT the VCC Board of Governors approve the agenda and approve/acknowledge receipt of the following items on the consent agenda:

- Agenda – Feb 15, 207 VCC Board of Governors Public meeting
- Minutes – Nov 16, 2016 VCC Board of Governors Public meeting
- VCCFA Report - Jan 30, 2017
- SUVCC Pledge to Vote Campaign Flyer

3. CHAIRS REMARK'S

- P. Ryan welcomed newly appointed Board Member, Howard Grant and congratulated Todd Rowlatt on his re-election as Chair of Education Council.
- P. Ryan has participated in 2 meetings hosted by BC Colleges. It's a good opportunity to meet counterparts and discuss shared issues.
- The Board held a retreat in November 2016. Topics included updating the VCC's vision statement. More news on this will follow.
- On Jan 27, 2017 a BC Court of Appeal reversed an earlier trial judgment in the trademark case against Vancouver Career College and ordered a permanent injunction restraining Vancouver Career College from using "VCC" and "VCCollege" in its internet advertising. P. Ryan thanked the teams who worked on this case.

4. PRESIDENT'S REMARKS

- Welcomed Howard Grant to the Board.
- Town Halls for students, faculty and staff have been held at the Broadway and Downtown campuses.
- Commended HR team, Employee Engagement Committee and VCC community for obtaining 70% participation in the recent survey.
- Acknowledged first graduates from the Samsung Tech Institute programs. The official opening of this space will take place late Feb.

5. FINANCIAL REPORTING

5.1 Finance and Audit Committee (FAC) Report

The Committee met on Jan 25, 2017. FAC Chair, M. Tourigny and M. Kowalski presented highlights and responded to questions by the Board:

- The Q3 Financial Performance Management, Discussion & Analysis (MD&A) Report for period ended Dec 31, 2016 was presented.
- The Auditor General of BC presented the 2016/17 audit plan. The report will be presented to FAC in April 2017.
- VCC continues to trend above budget. The forecast indicates that VCC is projecting to breakeven, in line with the balanced budget presented in the 2016/17 Integrated College Plan. Tuition revenue is \$1.7 million below budget, but has been offset by higher revenues from other areas, mainly \$443K in contract training.
- The reduction in enrolment was in part due to soft enrolments in the Professional Cook 1 & 2 programs. A second cohort planned for September was cancelled. The Culinary Arts programs are in the process of being redesigned to better meet industry and student needs.
- The next FAC meeting is March 22, 2017.

5.2 Q3 Goals and Objectives Update

The Q3 Goals and Objectives were updated and provided in the meeting materials. M. Kowalski responded to questions by the Board.

- D. Sargent and P. Nunoda spoke to concerns around the delay of the Denturist program. The program is in development after suspending the intake. As with the Dental Tech program, challenges obtaining approval of tuition by AVED and Ministry of Health is anticipated. Commencement is proposed for Sept 2018. Industry partners and students will be kept informed of the status of this program.

6. POLICIES

6.1 Rescind - C.3.9 Degree Standards Policy

T. Rowlatt referred to the Decision Note in the meeting materials, provided highlights and responded to questions by the Board.

- In 2008 a working group was developed to revise this policy, but no action was taken.
- K. McNaughton recently discovered and reviewed the recommendations of this committee. Taking into consideration the robust Curriculum Development and Approval Policy C.3.14, along with other recent work on educational policies, it was recommended to the Education Policy Committee that C.3.9 Degree Standards Policy be rescinded.
- Community feedback was requested and there was no response. Education Council are recommending the Board rescind this policy.

UPON MOTION duly moved, seconded and unanimously resolved:

THAT, on the advice of Education Council, the Board of Governors rescinds the C.3.9 Degree Standards Policy.

7. NEW PROGRAMS AND TUITION

7.1 Pre-Health Sciences Diploma

Decision Notes for the program implementation and tuition were provided in the meeting materials. T. Rowlatt and D. Sargent provided highlights and responded to questions by the Board.

- Pre-Health Sciences Certificate programs have been successful in Ontario. The School of Health Sciences partnered with the School of Arts and Sciences to develop the certificate program that packages new college level courses into an 8 month certificate program.
- There are currently no pre-health sciences programs in BC specifically designed to help prepare students for college level health sciences programs. VCC's program
- Two seats in VCC's Health Sciences programs (except BScN and Dental Hygiene) will be held for graduates of the Pre-Health Sciences program.
- VCC is exploring the opportunity of offering this as a "dual credit" program to high school students.
- EdCo reviewed the curriculum in Jan 2017 and had no significant concerns. The program was approved for recommendation to the Board.
- FAC reviewed the tuition proposal on Jan 25, 2017. Concerns around block funding and sustaining the program were satisfied. The proposed tuition will cover all program operating costs, including 38% overhead and provides a 3% profit of \$7,008 for each cohort. FAC approved the tuition for recommendation to the Board.
- The elective component was explained. It's separate to allow students more flexibility in choosing an elective. It could be taken at another institution and the credit transferred to VCC.
- J. Crawford and D. Kong supported the lower tuition proposal, Option 1. FAC do not recommend this option.

UPON MOTION duly moved, seconded and unanimously resolved:

THAT, on the advice of Education Council, the Board of Governors approves the new Pre-Health Sciences Certificate program.

UPON MOTION duly moved, seconded and resolved:

THAT, on the recommendation of the Finance and Audit Committee, the Board of Governors approves the implementation of tuition fees of \$3,787 for the new Pre-Health Sciences Certificate Program, effective September 5, 2017.

Opposed: D. Kong & J. Crawford

7.2 New credential: Computer Aided Drafting (CAD) and Building Information Modelling (BIM) Technician Diploma.

Decision Notes for the program implementation and tuition were provided in the meeting materials. T. Rowlatt, B. Griffiths and M. Tourigny provided highlights and responded to questions by the Board.

- The diploma is a valuable credential for students in these fields. It provides them with a second speciality.
- It expands on BIM skills, as well as practicing 3D Integrated Design Process (IDP) and utilizing Integrated Project Delivery (IPD).
- Complies with the diploma accreditation criteria from the Applied Science Technologists and Technicians of BC (ASTTBC).

- EDCO approved the curriculum and recommends the Board approve the implementation of the program.
- FAC reviewed the tuition proposal at a regular meeting on Jan 25, 2017. Questions around the financial analysis were satisfied. There is high demand for this program and the PAC support its redesign.
- 2 seats are held for international students. International tuition will be set following the approval of domestic tuition. There's already an indication that the first cohort will be full. If there's attrition in the program or enrolment is low, the program would breakeven at 13 students.
- The proposed tuition will fully recover all direct and indirect costs and generate 10.0% net contribution to VCC. FAC approved the tuition for recommendation to the Board.
- Concerns around generating revenue from tuition were responded to by P. Nunoda and M. Kowalski. The recommendations for tuition include the logic that the programs must be sustainable. The future of the program is considered. The revenue is for the reinvestment in curriculum development. VCC are exploring other opportunities to generate revenue.
- It was clarified that the next complete review of the program will take place in approx. 5 years. This information is useful in understanding the logic around setting tuition, as with taking into consideration the annual 2% cap on tuition increases. The Program Review Policy is currently under review.
- The program review process will added to the agenda for discussion at the next Board retreat.

UPON MOTION duly moved, seconded and unanimously resolved:

THAT, on the advice of Education Council, the Board of Governors approves the implementation of the new Computer Aided Drafting (CAD) and Building Information Modelling (BIM) Technician Diploma.

UPON MOTION duly moved, seconded and resolved:

THAT, on the recommendation of the Finance and Audit Committee, the Board of Governors approves the implementation of the following tuition, effective September 5, 2017, for Year 2 of the new CAD and BIM Technician Diploma:

- \$5,744 (\$191.45 per credit) – Year 2 (30 credits)

Opposed: D. Kong & J. Crawford

7.3 UT Courses - Engineering Certificate (UBC Option)

A Decision Note for the tuition was provided in the meeting materials. M. Tourigny and D. Wells responded to questions by the Board.

- FAC reviewed the tuition proposal on Jan 25, 2017.
- Current Engineering and Computing UT certificates courses for SFU have been successful. These new courses will open a pathway to students who have expressed interest in attending UBC.
- The recommended tuition option provides financial stability by generating 34% net contribution to VCC overhead, while ensuring individual course costs between UBC and SFU streams are not unfair. FAC approved the tuition recommendation for Board approval.
- Clarification on the courses required for the UBC stream was provided by D. Wells and the calculation of the tuition per credit was explained.

- Concern was expressed around implementing tuition that reflects VCC's values of being accessible. VCC is not a University. There's an expectation that a community college would have more reasonable tuition rates.
- The proposal considers the sustainability of the program. The remaining courses in this program currently under funded. With the UBC stream being approximately 25% smaller than SFU, it will likely take a couple of years to reach full capacity.

UPON MOTION duly moved, seconded and resolved:

THAT, on the recommendation of the Finance and Audit Committee, the Board of Governors approves the implementation of tuition of \$283 per credit for the new University Transfer (UT) Courses required for satisfaction of the proposed Engineering Transfer Certificate (UBC Option), effective May 1, 2017.

Opposed: D. Kong & J. Crawford

7.4 New credential: Culinary Arts (International Cohort) Diploma program

T. Rowlatt referred to the Decision Note in the meeting materials, provided highlights and responded to questions by the Board.

- The program was implemented in 2013 and although student satisfaction is high, areas of improvement were identified from feedback received from students, agents, the International Education department and culinary faculty.
- With the implementation of new Professional Cook 1 and Professional Cook 2 programs in September 2016, it was decided to incorporate components of these courses into the curriculum for the International Culinary Arts program.
- Benefits include offering more theoretical and skills development early in the program, downtown campus experience and integration with domestic students for four months of the program.
- EdCo approved the curriculum for recommendation to the Board in Jan 2017.

UPON MOTION duly moved, seconded and resolved:

THAT, on the advice of Education Council, the Board of Governors approves the new Culinary Arts (International Cohort) Diploma program.

8. EDUCATION COUNCIL CHAIR REPORT

T. Rowlatt presented the report in the meeting materials.

9. PRESENTATION: Library, Teaching & Learning Services

As the first in a series of presentations to the Board by VCC Dean's and Directors, Dean, Shirley Lew, presented the Library, Teaching & Learning Services portfolio.

The presentation was well received by the Board.

10. CONSTITUENCY REPORTS

10.1 CUPE LOCAL 4627

There was no representative from CUPE Local 4627.

10.2 Vancouver Community College Faculty Association (VCCFA or FA)

VCCFA President, K. Shortt addressed the Board, highlights included:

- Welcomed new Board Member Howard Grant and spoke highly to the appointment of Dr. Jane Shin, local MLA and ex-VCC faculty member, in the role of Dean of Student Development.
- Congratulated VCC on the trademark case appeal win.
- Impressed with the transparency around the results of the Engagement Survey at recent Town Halls.
- Reviewed the Board package and the FA are happy that VCC is looking at the “long game”.
- Happy to see an agreement in principle for rescinding 15 faculty layoffs.
- Invitations were handed out to an upcoming FA event on social justice in education.

10.3 Student Union of Vancouver Community College (SUVCC)

SUVCC Executive Director, T. Ottahal, addressed the Board. Highlights included:

- Welcomed new board member Howard Grant and introduced Jonelle Davies as Interim SUVCC Executive Director, covering her maternity leave.
- SUVCC continue to advocate for accessible education, building campus community and making members lives easier.
- “Don’t close the doors” campaign is advocating for the reinstatement of ABE funding and free tuition.
- The flyer for the SUVCC campaign titled “Students Are Voting” was provided in the meeting materials. The campaign goal is to deliver 7,000 student pledges to vote to government.
- Continue build the on-campus community. Upcoming events include puppy therapy and free lunch with local community organisation SUCCESS, to talk about services for student refugees.
- SUVCC health plan members now have access to legal services.
- Student currently have access to subsidized transit with the U-Pass program. The SUVCC will be meeting with the Ministry to discuss extending contract.

11. NEXT MEETING

The next Board of Governors Public Board meeting will be held on April 5, 2017.

12. MEETING ADJOURNED

There being no further business, the meeting adjourned at 7:23 p.m.

VCC NEWS AND EVENTS

March/April 2017

News

- VCC Foundation hosted the Flourish Gala, on Mar. 9 at the Broadway campus. Guests enjoyed a memorable evening displaying the work of VCC's highest-achieving students, faculty members and alumni. In addition to tasting creations by Vancouver's leading culinary minds and wines from Naramata, guests experienced the best of VCC's fashion arts, auto restoration, and live music. Net proceeds support VCC student scholarships and bursaries.
- VCC held its annual Outstanding Alumni Awards earlier in the same evening as the Flourish Gala. The 2016 recipients are the latest in a long line of VCC alumni that have made significant contributions to their industries and communities. Each winner has distinguished themselves with unique stories of success, inspiration, and dedication.
 - **Lloyd Arntzen (Honorary Alumnus)** Jazz musician, clarinetist, singer and saxophonist. Lloyd has influenced traditional jazz musicians and instructors for decades.
 - **Rosemary Bartram (Changemaker)** Owner, Era Design and jewellery designer. Rosemary specializes in custom wedding/engagement jewellery using conflict-free diamonds.
 - **Roshni Kashyap (Community Contribution)** Owner, Rosh's Chutneys. Rosh is an entrepreneur and spokesperson for others with special needs.
 - **Scott Jaeger (Career Success)** Chef/Owner, The Pear Tree Restaurant. Scott is a chef, mentor and peer-recognized industry leader.
 - **Emily Upham (One to Watch)** Owner, When Pigs Fly Pastries.
- Try-a-Trades, held at the Broadway campus on March 3, is a fun, interactive event for lower mainland high school students to learn more about VCC programs and to try some hands-on trades activities. We had about 400 students attend between 9 a.m. – 2 p.m. They also visited the Skills BC regional competition hosted by the VCC auto collision department.
- On Feb. 23, 2017, Vancouver Community College and Samsung Electronics Canada Inc. officially announced the launch of the Samsung Tech Institute at the Broadway campus – to bring the innovative education initiative to Western Canada. VCC welcomed Samsung executives, industry, students from the first cohort, and media – about 45-50 attendees – came to celebrate the opening with a ribbon cutting ceremony.
- Dr. Kathryn McNaughton, Vice President Academic, Students and Research, has been selected as a recipient of The Chair Academy's 2017 International Exemplary Leadership Award. This award recognizes exceptional leadership by individuals or teams in post-secondary institutions, awarded by The Chair Academy, an international leadership development organization.

- Vancouver Community College's English as a Second Language Pathways Program has been selected as the Gold recipient of the CIGan Program Excellence Award. This year, CIGan Award Recipients will be honoured and recognized during the conference in Ottawa at an Awards of Excellence luncheon, on Monday, May 1st, 2017.
- Two staff Town Halls were held mid-February on the budget and Employee Engagement survey results. President Dr. Peter Nunoda, Marlene Kowalski, Vice President Administration & CFO and Shannon Railton, Vice President People & Culture presented and answered questions at the Town Hall, which were also streamed live for those who could not attend.
- Dr. Jane Shin will be joining VCC as Dean, Student Development on April 11. Dr. Shin, who is currently representing the Burnaby-Lougheed Constituency as a member of the Legislative Assembly of British Columbia, brings a rich academic and experiential background to her new role. While she has been actively involved in provincial politics for the last four years, she has also been a regular faculty member at VCC for the Department of Science and a faculty member and program head at BCIT.

Flourish Event

Congratulations to all of the different areas of the College that came together to make the Flourish event such a success. The Culinary Arts faculty and students were outstanding. There were also many proud moments at the Alumni Awards event that immediately preceded Flourish. Good write-up in the media following the event.

Guest Speakers

We have two events happening in early April. Board members are welcome to attend. On April 4th & 5th, Elaine Bernard, Executive Director, Labour & Worklife Program, Harvard Law School, will speak on the topic "You Don't Know What You've Got 'Till It's Gone, How Labour Unions Can Help Save Public Education. On April 11th, Charles Demers will speak about "Political Activism in Post-Secondary Institutions". More details are set out on the attached posters.

Who is ABE?

Thought you might like to meet our Adult Basic Education students who are ABE. We will show you a short 5 minute video to introduce you.

ISSUE: **RECOMMENDATION FOR APPROVAL:**
Enrolment Plan 2017-18

BACKGROUND:

Education Council has had a series of presentations on the 2017-18 Enrolment Plan, and on the 5-Year Academic Plan 2017-2022 that is still in development. Kathryn McNaughton, Vice President Academic, Students, and Research, along with all of the academic deans and directors, gave presentations in February and March 2017 to review the specific school initiatives and enrolment plan numbers. Marlene Kowalski, Vice President Administration & CFO also presented on the draft 2017-18 budget and integrated college plan process at the March meeting.

EDCO had a special meeting on March 29th for a discussion on both plans, and to vote on a recommendation to the Board on the Enrolment Plan. Advice to the Board on the Academic Plan will be provided for the May Board of Governors meeting.

DISCUSSION:

The process in developing the Enrolment Plan was robust; drafts of the plan were brought to Education Council over several months, and EDCO was assured that department heads were fully consulted to ensure the enrolment projections were accurate and achievable. Education Council has greater confidence in the accuracy of the projections than in some previous years.

RECOMMENDATION:

THAT, on the advice of Education Council, the Board of Governors approve the 2017-2018 Enrolment Plan.

ISSUE: **RECOMMENDATION FOR APPROVAL:**
2017/18 Capital Budget

An integral part of the annual budgeting cycle includes developing a capital plan that will be funded through VCC internal capital. Capital requests are submitted by various departments and priorities are established. In 2017/18 VCC is requesting that \$3.0 million be allocated for facilities improvements, library, furniture and equipment and for IT projects that are not covered under the tech refresh leasing program.

VCC's 2017/18 capital budget is part of the Integrated College Plan currently being updated. For the purpose of meeting AVED reporting deadlines, the 2017/18 Capital Budget is being presented in advance for review and approval by the Board of Governors.

Supporting documents included are Statement of Financial Position and Statement of Cash Flow.

RECOMMENDATION:

THAT, on the recommendation of the Finance and Audit Committee, the Board of Governors approve the \$3.0 million 2017/18 Capital Budget.

ISSUE: **RECOMMENDATION FOR APPROVAL:**
Revisions to D.3.10 Aboriginal Education Enrolment Policy and Procedures

BACKGROUND:

The D.3.10 Aboriginal Education Enrolment Policy is designed to help increase and facilitate Aboriginal participation and enrolment at VCC. The College serves a large segment of the Aboriginal population in Vancouver, currently and historically under-represented in post-secondary education. The policy was last revised in 2008.

Dave McMullen, the Registrar, was the primary policy writer as this is an admissions policy, and he worked closely with Tami Pierce, the Director of Indigenous Education & Community Engagement (IECE).

DISCUSSION:

There are two main changes proposed:

1. Aboriginal students are encouraged to self-identify during the application process but proof of Aboriginal ancestry is no longer required. Mr. McMullen researched and found the instances of false claims to be extremely rare, as did Ms. Pierce. Policy Committee recommended not requiring proof given the added burden of collecting documentation and the complexities and cultural issues around identity and ancestry.
2. All programs and courses will reserve two (2) seats for Aboriginal students. The previous version of the policy only required two seats to be reserved for "high demand" programs, and made it optional for all other programs and courses. Aboriginal students on waitlists will also be given priority for admissions. This step is a very reasonable approach to help address historically exclusionary practices and address access issues identified by the Truth and Reconciliation Commission.

Education Policy Committee worked over several meetings from June 2016 to review this policy. It went out for community feedback in November 2016, and came to Education Council for final review in March 2017. EDCO recommends that the Board approve the revisions to this policy and procedures.

RECOMMENDATION:

THAT, on the advice of Education Council, the Board of Governors approve, in the form presented at this meeting, the D.3.10 Aboriginal Education Enrolment policy and procedures.

CONTEXT AND PURPOSE

The intent of this Policy and related procedures is to increase and facilitate Aboriginal participation and enrolment in educational activities at Vancouver Community College (VCC; the College). VCC serves a large segment of the Aboriginal population of Canada, which is under-represented in post-secondary education. In order to address historically exclusionary practices and to address access issues identified in the Truth and Reconciliation Commission, the College has chosen to make reserved seating for Aboriginal students mandatory for all programs and courses. Candidates are encouraged to self-identify when applying for admission.

This policy meets the Education Council's legislated responsibility under the College & Institute Act Section 23 (1) which states "An education council must advise the board, and the board must seek advice from the education council, on the development of educational policy for the following matters: ... (m) qualifications for admission policies."

SCOPE AND LIMITS

This policy applies to all Aboriginal students identified in all Canadian legislation pertaining to Aboriginal identity

Aboriginal students who self-identify will be eligible for reserved seating. Aboriginal students who don't self-identify must be supported by the Director, Indigenous Education & Community Engagement.

STATEMENT OF POLICY PRINCIPLES

1. VCC supports Aboriginal students through the Indigenous Education & Community Engagement department (IECE). Support includes a range of services such as program advising, assistance with applications, and transition support.

2. Priority registration will be offered to Aboriginal students applying to College programs and courses on the understanding that they must meet all of the required prerequisites and criteria for the program or course they are applying to.
3. In situations where there is a demand for existing or new programs or courses from Aboriginal students, the College will encourage and seek out opportunities for funding that will permit the creation of new programs/courses or additional sections of existing programs/courses.
4. To increase and facilitate Aboriginal participation VCC will consider alternative forms of delivery such as distributed learning and distance education where there are sufficient resources and demand.

Procedure for Reserving and Releasing Aboriginal Seats:

1. Students are encouraged to self-identify during the application process and/or through the Registrar's Office or Indigenous Education and Community Engagement office.
2. All programs and courses reserve two seats for Aboriginal Students. The limit on seating is a minimum not a maximum.
3. To help increase access and engagement of these students, the Registrar's Office will work closely with Indigenous Education and Community Engagement Department ("IECED") to ensure that seats are held and time is given for students to access band funding.
4. Reserved seats not in use need to be released by Registrar's Office with enough time to fill seats with non-Aboriginal students. Reserved seats are held for a specified period of time before the program commences. The Registrar's Office in consultation with the IECED will release seats earlier where the seats do not look as though they will fill.
5. Aboriginal students on waitlists will be given priority access to any seats that become available in a program.

Timelines for program registration:

6. If an Aboriginal Student declines a reserved seat before the established deadline, the seat may be filled by the next eligible Aboriginal student.
7. For programs that require a submission of a portfolio, or an audition, seats will be reserved until the submission deadline or audition date.

Timelines for course registration:

8. Registration for Aboriginal Students into all courses will be scheduled two days before other students are allowed to register.
9. The IECED will invite students to the early registration session.

10. For Continuing Studies courses, two seats will be held for Aboriginal students until two weeks prior to the course start date.

Funding:

11. When an Aboriginal student is accepted, the IECED must be notified.
12. The IECED will support and follow-up with the students to ensure the process for funding is underway.
13. Additional time is often required for Aboriginal Students to secure funding. Tuition payments will be delayed to allow time for funding to be in place provided that the applicant meets all required prerequisites and documentation for the program they are applying to.
14. Admissions Clerks should not withdraw Aboriginal Students from programs or courses until they have confirmed with the IECED that the student is not receiving funding. IECED will follow up with these students and will notify the Associate Registrar, the Admissions Supervisors, and the Admissions Clerk on status of student funding.

DECISION NOTE

PREPARED FOR: Board of Governors

ISSUE: **RECOMMENDATION FOR APPROVAL:**
Revisions to D.1.1 Education Services Renewal Policy and Procedures

BACKGROUND:

The D.1.1 Education Services Renewal Policy governs the process for an evaluative renewal of the College's educational services areas (such as the Registrar's Office, the Library, and Interpreting Services) on a regular basis. Educational services areas are critical to supporting student success throughout their education at VCC.

This policy was last revised in 2001, and the College has not been fully compliant in many years (though there are numerous and regular instances of service areas reviewing their services outside of this formal process). This policy gap has been recognized for several years, but was not deemed as critical as improving the program review process or the curriculum development approval process.

DISCUSSION:

The policy and procedures were largely re-written from the 2001 version, providing clear policy principles that explain the reason for renewal, and significantly more guidance around the essential elements of a renewal. There are two major changes to highlight:

1. The new process requires an external review completed by two outside experts. This is a common best practice in educational reviews, and will mimic the approach for Program Renewal (this policy is still in development). The Ministry of Advanced Education is expecting external review as part of program renewal; the same principle was appropriate for service areas as well.
2. Along with an internal review and an external review, the service areas will develop an action plan that will guide their planning process in the years after the renewal, and will integrate into the College's integrated planning process. The 2001 version of the policy did not require action plans. This will both support positive changes coming out of the renewal, and maintain accountability.

Education Policy Committee worked over several meetings from June 2016 to review this policy. It was sent to the Education Services Areas several times for feedback, was sent out for full community review in January 2017, and to Education Council for final review in March 2017. EDCO recommends that the Board approve the revisions to this policy and procedures.

Effective implementation of this policy will require the College to provide additional resources: to bring in external reviewers; to provide enough time for areas to research, discuss and plan; and to ensure that all areas are reviewed every five to seven years. The Senior Leadership is aware of this need.

RECOMMENDATION:

THAT, on the advice of Education Council, the Board of Governors approve, in the form presented at this meeting, the D.1.1 Education Services Renewal policy and procedures.

CONTEXT AND PURPOSE

Vancouver Community College (VCC; the College) ensures that its educational services that support and assist students, prospective students and employees are of high quality. Further, the College fosters a culture of continuous improvement in its educational service functions through learning and self-assessment.

The quality of educational services is monitored and evaluated from a number of different perspectives, including the degree to which student and staff expectations are met, the degree to which the approved goals and objectives for each Education Service Area are met, and the degree to which Education Service Areas meet or exceed exemplary practices at comparable post-secondary institutions.

SCOPE AND LIMITS

The College & Institute Act states in Section 23(1) An education council must advise the board, and the board must seek advice from the education council, on the development of educational policy for the following matters (f) evaluation of programs and educational services.

Education Service Area renewals will occur every 5-7 years.

STATEMENT OF POLICY PRINCIPLES

1. Quality services are vital to ensuring student success.
2. The College and/or service areas will encourage students to access services through various promotional activities.
3. The College will strive to ensure services are accessible to all students.
4. Educational services are governed by the College's vision, mission and strategic direction.

5. Educational services are also guided by professional practice standards.
6. Educational services will establish criteria for evaluating success over the renewal cycle.
7. Educational services must change as new or previously unrecognized student needs emerge.
8. Educational services employ quantitative and qualitative methods of monitoring and evaluation.
9. When available, regional, national, or international standards are used for benchmarking purposes.

DEFINITIONS

Education Services Areas include:

- Registrar's Office
- Financial Aid
- Advising
- Counselling
- Disability Services
- Assessment Centre
- Interpreting Services
- Student Development
- Arbiter of Student Issues Office
- Library
- Learning Centre
- Centre for Instructional Development
- Indigenous Education and Community Engagement
- International Education
- Continuing Studies
- Peer Helpers
- Front Desk Reception
- New Education Service areas as they arise

PROCEDURES

1. The Dean/Director is responsible to initiate and guide the renewal process in consultation with faculty/instructors, staff and administrators.
2. Education Service Area renewals will be conducted every 5-7 years. The VP Academic, Students & Research will establish this schedule.
3. Every Education Service Area will have the following general standards and essential elements regardless of their specific function:

- a. Mission
 - i. A mission statement that is compatible with the College's vision, mission and strategic direction; compatible with professional standards and reflects a commitment to student learning and development
 - b. Organization
 - i. Clearly stated goals and objectives
 - ii. Updated operational manuals and guidelines
 - iii. Organizational chart
 - c. Resources
 - i. Employees with relevant skills and qualifications to accomplish mission, goals, and objectives
 - ii. Employees professional development opportunities
 - iii. Space, technology infrastructure and other required resources relative to existing needs and anticipated growth
 - d. Policy and governance
 - i. Policies and practices that align with College governance requirements of the respective Education Service Area
 - e. An outline of best practices, ethical principles, standards, statements, or codes that guide the educational service area, as applicable.
4. The Education Service Area renewal will include an internal self-study undertaken by faculty/instructors, staff, and administrators that systematically reviews and generates a written report on strengths, weaknesses, needs, and recommendations for quality improvement. The self-study will be based on a broad range of indicators relevant to the Education Service Area. The indicators or metrics will be agreed upon through consensus among the Dean/Director, faculty/instructors, staff and administrators of the Service Area. Identification of relevant metrics that can be gathered on an annual basis to assist in monitoring demand, quality, operational efficiency and effectiveness of the Education Service Area. Factors to consider when developing service performance metrics may include but are not limited to:
- a. Demand:
 - i. Trends in demand
 - ii. Demand at comparator institutions
 - iii. Relationship between service demand and student success and access
 - iv. Information about demographics and demand
 - b. Quality:
 - i. National standards, legislation and other benchmarks
 - ii. Link to service standards
 - iii. Measures of users' opinions of quality and other feedback (surveys, focus groups, etc.)
 - iv. Expert opinions on quality (consultants, specialists, etc.)
 - v. Quality measures at comparator institutions
 - vi. Mandated service provision or service standards
 - vii. Relationship between service quality and student satisfaction, health and wellness
 - c. Operational efficiency and effectiveness:
 - i. Effectiveness of service delivery
 - ii. Effectiveness of technology and tools used for the delivery of such services

- iii. Trends in revenue and expenses
 - iv. Revenue and expenses in comparable departments or comparable institutions
 - v. Ratios of administrators/support staff, full-time/part-time/ temporary staff, faculty/instructors
 - vi. Requirements for specialized equipment and/or IT, related capital and support costs, etc.
 - vii. Space quantity and quality and ratios of space per staff, space per student; fluctuations in space needs by time of day/year, etc.
 - viii. Space and accessibility for staff and clients, modifications and costs to meet accessibility requirements
 - ix. Effectiveness of health and wellness initiatives
5. The renewal will also include an external review, conducted by a panel of at least two professionals with expertise in the Education Service Area. This review will include a site visit, with a focus on benchmarks and emerging standards that any similar Education Service Area can reasonably be expected to achieve. The panelists will be provided a copy of the self-study report. Input from the broader College community will be included. Protocol for identification and selection of the panel members will be developed by the VP Academic, Students & Research or respective Senior Administrator in co-operation with the Dean/Director, faculty/instructors, staff and student representative. The external review panel will prepare a report and submit to the VP Academic, who will then share that report with the appropriate Dean/Director and Service Area
 6. A report with an action plan will be prepared by the Service Area in consultation with the Dean/Director that includes a summary of the self-study and external review findings.
 7. An institutional response to the report prepared by the Vice President Academic, Students & Research or respective Senior Executive will be submitted to Education Council along with the report.
 8. Education Council will review the institutional response and action plan report and provide an update to the Board of Governors regarding any recommendations they may decide to make.
 9. The outcomes of the report and action plan will inform the College and service area's planning process. The report goes into the yearly departmental integrated planning process.
 10. The action plan will be reviewed and updated each year by the department and Dean/Director.
