7. **View Application Summary**.
   - Date Created = Date application was created in our system. This may not match the actual date you submitted your application to VCC
   - Admission Term = The term you have applied for
   - Application Status = Status of your application (documents outstanding, offered admission, etc.)
   - Program Major = Program you have applied for
   - Requirements = The admissions requirements for your program
     - If there is a date in the 'Received' column, it means that we have received that requirement
     - If there is a date in the 'Deadline' column, it means that this is your deadline to submit the associated requirement
     - If an item has been received but only conditionally meets the requirement, information regarding this will be in the 'Requirement Status' column.
     - If you have already been offered, you may see tuition deposit information here including the amount to be paid and the deadline to pay to accept your offer of admission

Sample #1:
