Program Description

The Hair Design Program is divided into three levels and is 12 months in length. The first two levels of this program are designed to cover all core aspects of the industry on a progressive scale, demanding an increase in competence at each level. The final level is specifically designed for the student to complete their chosen course of study.

Theoretical knowledge and practical training are covered in such areas as client relations, men's and women's haircutting, permanent waving, shaving, hair colouring, hair and scalp treatments, facials and manicures, and disorders of the scalp and skin. Salon management, bookkeeping, reception and desk functions, and business services are also an integral part of this program.

Career Prospects

Qualified graduates may be eligible for a post graduation work permit. Well-trained hairstylists are in constant demand in every community. Graduates specializing in Women's Hair Design who have obtained their provincial license are qualified to secure employment in large or small salons, or they may wish to open their own business.
