a) The names of all Students, Faculty Members, and Support Staff that are eligible to vote and the constituency group with which each is affiliated;

b) The program area in which each Faculty Member holds a contract. For those positions on the Education Council that are allocated by program area, Faculty Members will be considered eligible to be nominated as candidates and vote within the program area in which they hold a contract. A Faculty Member holding contracts in more than one program area is deemed to hold a contract within the program area where they teach the highest percentage of courses; and

c) The Voters’ List is shared with the Election Committee prior to the start of voting, for purposes of verification, but it is not made publicly available to the College community.

d) A Student, Faculty Member or Support Staff who wishes to confirm that they are on the Voters’ List may do so by contacting the Registrar any time prior to the close of voting.

6.2 Entitlement to Vote

Students, Support Staff and Faculty who are eligible to vote are entitled to cast votes for those positions as set out in Appendix A of these Rules.

7. **Eligibility to Hold Office**

7.1 Students

A Student standing for election should review Section 5.1 for eligibility criteria. If during a Student’s term on the Board or the Education Council the Registrar determines that a Student ceases to be in good standing as defined in Section 5.1, the Student’s position shall be forfeited and Section 4.2 shall apply.

7.2 Faculty

If during their term on the Board or the Education Council a Faculty Member’s employment is terminated or they cease to meet the definition of Faculty Member set out in the Act, their position on the Board or the Education Council shall be forfeited and Section 4.2 shall apply.

7.3 Support Staff

If during their term on the Board or the Education Council a Support Staff Member’s employment is terminated or they cease to meet the definition of Support Staff set out in the Act, their position on the Board or the Education Council shall be forfeited and Section 4.2 shall apply.

8. **Pre-Election Process**

8.1 Prior to every regular election and by-election the Registrar shall distribute to all eligible voters on the Voters’ List by email a notice of election, which sets out:
9. **NOMINATIONS**

9.1 Nomination forms will be available from the Registrar’s Office on both campuses once a call for election has been made. For those at Annacis Island, nomination forms will also be made available. Instructions and deadlines for the receipt of nominations will be made available at the same time.

9.2 Nomination forms will contain:

a) the name of the candidate
b) the position sought;
c) the candidate’s Program Area (if the candidate is a Faculty Member);
d) the candidate student number (if the candidate is a Student);
e) the candidate’s phone number and e-mail address;
f) the candidate’s signature indicating their consent to stand for election; and
g) the names and signatures of three nominators, who must be members of the same Representative Group as the candidate.

9.3 Candidates are strongly encouraged to provide the Registrar with a short biographic statement (of up to 500 words) at the same time as completed nomination forms.

9.4 Original or electronic copies of the nomination form must be submitted to the Registrar by the date for the close of nominations.

9.5 The Registrar will not accept late nominations or biographic statements.

9.6 Candidates may withdraw their candidacy by submitting written notification to the Registrar up to the close of nominations but not after the notification has been distributed to the College community.

10. **CAMPAIGNING**

10.1 Candidate lists for each election will be posted on all campuses no later than three (3) working days following the close of nominations.
10.2 Concurrent with the posting of the candidate lists, the Registrar will distribute to applicable eligible voters, by College wide email, all candidate statements submitted under Section 9.3.

10.3 Candidates may campaign from the day the candidate list is posted until the last day of the campaign period in accordance with the election schedule published by the Registrar.

10.4 Candidates must act in accordance with the VCC Student and Employee Code of Conduct throughout the campaign.

10.5 All campaign materials produced and distributed for the candidate must not undermine an individual or group as per BC Human Rights Legislation. Campaigning materials include, but are not limited to posters, signs, websites, social media, and phone/email campaigns.

10.6 Campaigning should not disrupt class instruction or regular campus operations.

10.7 Candidates are responsible for the removal of all posters and other campaign material immediately following the close of the elections.

10.8 The Registrar may sanction a candidate for not adhering to campaign rules up to and including disqualification of the candidate.

10.9 The decision to sanction a candidate is subject to appeal under the elections appeals procedure. A written appeal must be filed within two working days of the sanction being issued and adjudicated prior to the designated voting period.

11. **Voting**

11.1 Voting will commence at the end of the campaign period in accordance with the election schedule published by the Registrar.

11.2 Voting will take place using an electronic format through a secure online voting system that protects voter anonymity.

11.3 Physical ballots will be available at the Registrar’s Office at Broadway and Downtown campuses as well as at Annacis.

11.4 Ballots will contain:
   a) The position title;
   b) The term to be served;
   c) The candidate name(s); and
   d) Voting instructions as required.

11.5 If no candidate is nominated for a vacant position, the position will remain vacant until a by-election is held pursuant to Section 4.2.

11.6 If only one candidate is nominated for a particular position, a special ballot will be prepared to allow voters to vote “Yes” or “No” for that candidate. If only one
candidate is nominated for a particular position and majority votes “No”, that position shall be deemed vacant and clause 4.2 of these Rules shall be enacted.

11.7 Voting will take place on the days designated by the Election Committee.

11.8 Eligible voters will be sent an electronic communication inviting them to participate in the election process. In this communication the voter will receive a unique link to the online voting system where they will cast their ballot.

12. **Election Results**

12.1 Votes will be tallied by the online system with any paper ballots added to results and then verified by the Registrar.

   a) Candidate may appoint scrutineer. Contact Registrar’s Office to submit name of scrutineer.

12.2 The results will be distributed to the Election Committee for confirmation. In the event of a tie, the Registrar will order a recount of the paper ballots and reconfirm electronic votes to be completed on the first working day after the original count. Should there still be a tie, a random selection will occur using a coin toss to determine the successful candidate for the position. The candidates involved in a tie have the right to be present during the random selection.

12.3 In the event of a very close election (5% of total votes cast), a recount of the ballots may be requested. Only a candidate for the particular position may make such a request and the Registrar must receive request within four (4) working days after the results of the election are declared.

12.4 Once the election results are confirmed by the Registrar, this information will be released to the College community. The Registrar will inform the Election Committee prior to releasing the results only in the event of any irregularities or in the event of a very close election. Results are confidential until officially announced by the Registrar.

12.5 The names and voting counts for all candidates will be publicized. The results of each election will be posted at all campuses. The President, the Chair of the Board of Governors, and the Chair of Education Council will be informed of the results at the time they are posted.

12.6 Ballots will be destroyed on the 6th working day after the day on which the election results were announced. If an appeal is filed under Section 13, the ballots will be retained for the duration of the appeal process.

13. **Appeals**

13.1 The rules and regulations of the election are not subject to appeal. However, the implementation of the election process may be subject to appeal by eligible voters.
13.2 The conduct of an election may be appealed by any person who was an eligible candidate in that election.

13.3 Appeals will fall into one of two categories:
   a) Procedural: An appeal that raises issues about how the election itself was conducted. (Available to both candidates and voters).
   b) Substantive: An appeal that raises issues around what occurred during the election itself where there is a belief of injustice. (Available to candidates only).

13.4 Written requests for an appeal must be filed with the Registrar within four (4) working days following the day on which the election results were announced. Appeal forms will be available from the Office of the Registrar.

13.5 Appeals must address the specific grounds for the appeal.

13.6 In the event the appeal is based on procedural grounds, the Registrar will interview the complainant as soon as possible. The complainant may be accompanied by an advocate. The Registrar must issue a written decision within five (5) working days of the interview and inform both the complainant and the Election Committee of the outcome and rationale. The Registrar’s decision can be appealed directly to the Election Committee itself.

13.7 Written requests for a substantive appeal will be shared with all candidates of the affected constituent group. Any candidate may respond to the appeal in writing but must do so within four (4) working days after which the original request for an appeal is distributed to affected candidates.

13.8 The appeal will be considered by this Election Committee. The Committee member must not have been a candidate or a nominator in the election that is the subject of the appeal. The Registrar shall be an ex officio non-voting member of the Election Committee. If a voting member runs, they will need to appoint a designate.

13.9 The Election Committee will hold a hearing to consider the appeal.

13.10 The hearing will be held within 10 working days of the receipt of the written request for an appeal.

13.11 The Election Committee will conduct the hearing with the complainant present. Any other candidate in the election may also attend.

13.12 Each candidate in attendance will have the opportunity to address the Election Committee. Time limitations and a schedule will be at the discretion of the Committee, taking into consideration the number of appeals and candidates wishing to address the Committee.

13.13 Each candidate in attendance will be allowed to bring a support person or advocate.
13.14 Following the hearing, the Committee will then deliberate in private. Within five (5) working days of the hearing, the written decision of the Election Committee will be provided to the complainant and all other candidates of the affected Representative Group.

13.15 Decisions of the Committee may take the form of: rejecting the appeal; making recommendations to the Registrar with respect to future elections; or ordering corrective action, including overturning the election results and ordering that the election be re-run.

13.16 In the event the appeal is submitted in response to a decision made regarding procedural matters by the Registrar, a written appeal stating the grounds for the appeal must be submitted within five (5) working days after the written decision was issued by the Registrar to the Office of the President. A hearing will be held within ten (10) days of receipt of the written appeal. Both the complainant and the Registrar will be present and be able to present their justification concerning the matter under appeal. The Committee will then deliberate in private. Within five (5) working days of the hearing, a written decision with rationale will be provided to both the complainant and the Registrar to the Office of the President.

13.17 Decisions rendered by the Election Committee are final and binding.
