The screenshot shows a web browser window with a purple header bar. On the right side of the header, there are icons for settings, a user profile, and the text "IT Test Self Serve" followed by a yellow tab with the number "1". The main content area is titled "File Upload" and contains a welcome message: "Welcome to our document uploading site! Please select the appropriate document type from the dropdown menu. An incorrect selection may cause delays in processing. To ensure efficiency, please upload only one document at a time." Below this is a "Document Type:" label and a dropdown menu with the selected option "Study Permit/Study Permit Approval/Immigration Doc". There is a large empty rectangular box for file upload, with the text "VCC-International-Logo-RGB-DarkGreen-NoSafeArea-Horizontal.jpg" centered inside. At the bottom of the page is a dark "Upload" button. A red-bordered box highlights a green success message: "✔ We'll acknowledge receipt of your documents.
