

CANADA SCHOLARSHIP PROGRAM NON-CANADIANS STUDYING IN CANADA 2022-23

With the support of Global Affairs Canada, the UMAP International Secretariat (IS), currently hosted at Vancouver Community College, is providing funding for Non-Canadian students registered at UMAP member institutions outside of Canada to participate in study programs (physical and virtual) at UMAP Canada member institutions

Competition

Open for UMAP programs starting between April 1, 2022- March 31, 2023

Deadline

Ongoing, based on financial availability

Award Value and Eligible Expenses

The UMAP-Canada Scholarship value is based on the type and length of program:

Physical mobility

- 1-8 month programs: Up to \$2000CDN per month to a maximum of \$16,000CDN.
- Short-term programs longer than one week (7 days) and less than one month (30 days): \$1000CDN

Virtual Mobility

- All programs longer than one week (7 days) to a maximum of one semester (4 months): up to \$1000CDN, pro-rated for program type and length

Eligible Expenses (as applicable)

- tuition or program costs including mandatory ancillary fees;
- costs of transportation to and from the study destination, for the scholarship recipient only, by the most direct and economical route;
- costs of visa and/or study/work permits;
- health insurance in the study destination;
- living expenses, such as accommodation, utilities and food in the study destination;
- costs of ground transportation, including public transportation, in the study destination; and
- books and supplies required for the recipient's study or research, excluding computers and equipment.

Application Procedure

To be eligible for scholarship funding, students must apply for and be accepted to a UMAP program offered in the UMAP Student Connection Online (USCO) system or a program pre-approved by the UMAP IS. Eligible students will be invited by the UMAP IS to apply.
