

Donate now to our

Gift Hamper Drive for Deaf and Hard of Hearing Seniors

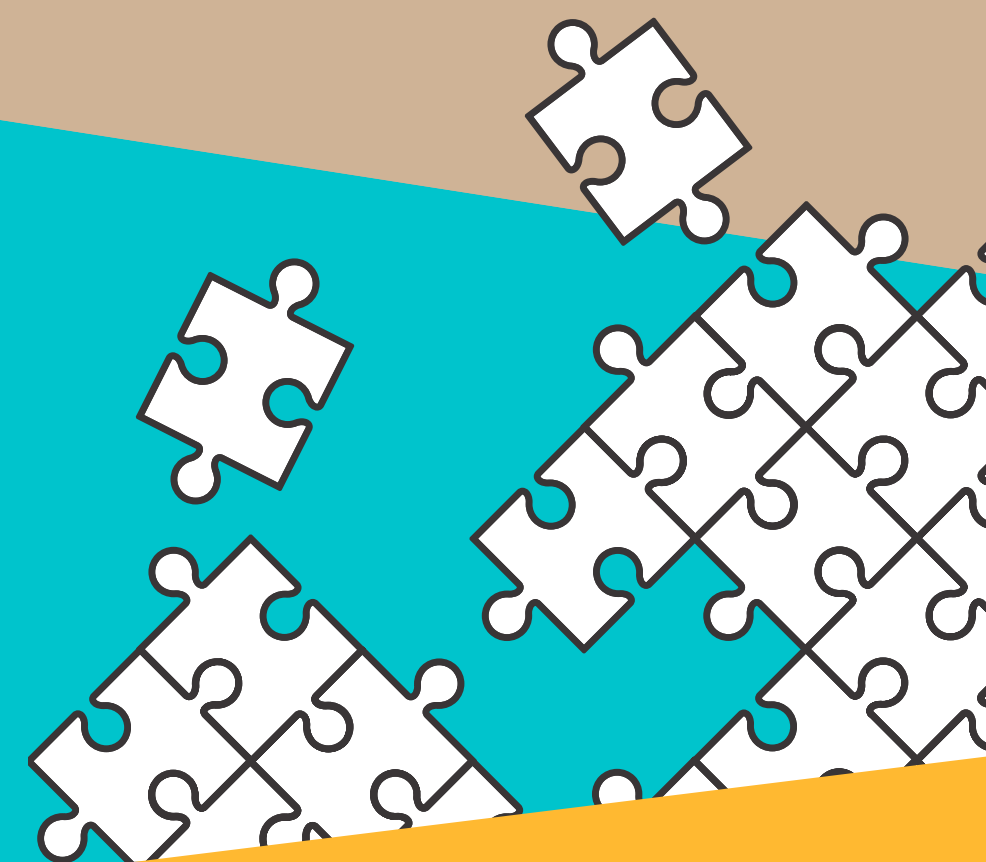

Who are we?

Hello! We are student volunteers from the Vancouver Community College ASL & Deaf Studies program. We've partnered with Wavefront Centre and their Better at Home program to help bring gift hampers to 100 Deaf and Hard of Hearing Seniors in the Lower Mainland.

Why are we doing this?

Each year, the graduating class at VCC presents a Deaf community event called Deaf Deaf World. This year was different—due to health guidelines we couldn't throw the party we would have liked to, but we'd still like to make a community contribution!

Help us reach our goal in assembling and delivering 100 gift hampers to Deaf and Hard of Hearing Seniors in the Lower Mainland!

How you can help:

1. **Send us your money!** Our goal is to raise **\$1,500** to go towards grocery store gift cards and other essential items for our hampers. Please consider donating and hit that button! (paypal.me/vccseniorhampers)

2. We are also seeking items to include in our hampers: **puzzles, used books, game books, magazines, colouring books & pencil crayons, playing cards, magnifying glasses, and phone stands/pop sockets.** If you have any of these items and can part with them, we would be so happy to include them in our hampers!

DONATE

Deadline for donations is June 20, 2021.
