# CMPT 1401: HTML/CSS Level 1

---

## EFFECTIVE DATE

March 2021

## DEPARTMENT

Computers - City Centre

## DESCRIPTION

You will be introduced to HTML and CSS web page coding and structure. The course is designed for students with no previous coding/programming experience. Learn how to author web pages using HTML, edit existing HTML/CSS to maintain and update existing web content, and leave with a functional website of your own. Topics include website planning, browser issues, structural mark up, creation of online forms and tables, and working with graphics. Ideal for individual users, small business owners, and employees of large organizations who want to acquire the skills and confidence to author and publish robust websites.
