Vancouver Community College 2025 Viewbook

Welcome to real learning, for real change.

Real is tangible. It's learning from hands-on practice and from experts in their fields.

Real is supportive. It's listening to what you need and providing personal support that meets you where you are.

Real is belonging. It's building community, sharing your experiences, embracing diversity, and celebrating our differences.

Real is attainable. It's providing affordable education through flexible pathways that are accessible for everyone.

Real is growth. It's changing lives by improving your career opportunities, sharpening your skills, and discovering your passions.

International Education strategic objectives

The International Education Strategic Plan (IESP) is a five-year strategic plan (2024-2029) that informs and guides VCC’s local and global engagement in our internationalization efforts.

The following strategic objectives position VCC to be responsive to global trends and opportunities, and to lead the BC College sector in global engagement. Each objective has related actions that showcase opportunities for VCC to advance internationalization across the college. These actions will be further developed in the next phase of community-wide implementation planning.

International Education strategic plan

Global experiences, partnerships, and mobility

A key strategic objective of the IESP is to develop and enhance opportunities for the VCC community to participate in and benefit from global engagement through strategic partnerships and internationalization at home.

A shining example of such a partnership was highlighted during a visit by VCC delegates to the Coast Institute of Technology (CIT) in Voi, Kenya, as part of the Young Africa Works project, sponsored by Colleges and Institutes Canada (CiCan) and funded by the Mastercard Foundation.

This visit provided a chance to deepen collaboration between the institutions and enhance CIT's capabilities in curriculum development, instruction, and evaluation.

UMAP International Secretariat

In January 2021, VCC began a five-year term representing Canada as International Secretariat (IS) of University Mobility in Asia and the Pacific (UMAP), a voluntary association of government and non-government representatives of the higher education sector.

As the UMAP IS, VCC will oversee administration and programming for the consortium. Working in close collaboration with the chairperson of UMAP and the National Secretariat for Canada, along with the National Secretariats of member countries, VCC will manage various study abroad programs, facilitate joint research projects among faculty members from different member universities, and convene bi-annual international board meetings.

Studying at VCC

VCC is proud to operate two campuses, serving 15,000 students per year in the heart of Vancouver.

VCC offers award-winning career programs, as well as first- and second-year university programs, all taught by highly qualified faculty and instructors. Students learn practical and hands-on skills in an interactive learning environment. This type of experiential learning will prepare students for their dream job in a new career.

Both campuses are easily accessible by transit and are located one or two blocks from a SkyTrain station.

Canada – second largest country in the world

This wealthy and beautiful land is also one of the safest countries in the world.

From coast to coast, Canada has world-class cities, breathtaking landscapes, spectacular mountains, rivers and more! British Columbia is set between the Rocky Mountains and the Pacific Ocean. It is the most western province in Canada. With its economic stability and beautiful nature, B.C. attracts visitors, international students, and immigrants from all over the world.

Vancouver – third largest city in Canada

When students choose to study in Vancouver, they can expect to have priceless experiences. This exciting city sits beside the beautiful Pacific Ocean and is just minutes away from stunning mountains. Vancouver has clean water, excellent health care, friendly people, a safe environment, and mild temperatures.

Vancouver was home to the 2010 Olympic and Paralympic Winter Games. The city offers exciting sports and outdoor activities, arts and culture, entertainment, nightlife, outstanding restaurants, and world-class shopping. Vancouver has something for everyone!

Community impact

At VCC, we believe that learning is a life-changing experience that impacts everyone around us.

Feeding friends

VCC's Culinary Arts students and instructors partner with Central City Foundation to host the free annual Fair in the Square barbecue celebrating our inner-city community.

Giving in style

VCC's Fashion students regularly design and sew business attire which is donated to charities like Dress for Success and YWCA Career Zone.

Showing pride

VCC installed three new rainbow murals at the Broadway and Downtown campuses to reflect welcoming spaces for people of all backgrounds, including members of the 2SLGBTQIA+ community.

Making smiles

Students in VCC's Dental programs offer free checkups to hundreds of young children at our Tooth Trolley event.

Welcoming the world

VCC's English as an Additional Language students provide tutoring to refugees and newcomer families through community partners like the Mount Pleasant Neighbourhood House.

Keeping the beat

VCC's Music students, instructors, and alumni regularly host free, top-notch concerts with donations supporting the Vancouver Food Bank.

Job-ready skills

At VCC, students learn the necessary practical skills, industry tools, and trends to be successful by the end of their program. With small class sizes, supportive environments, and attentive instructors, students will experience life-long learning lessons beyond graduation.

Work placements

Students are connected to some of the most reputable industry employers and businesses while completing their practicum, capstone project, or internship. VCC graduates have one of the highest success rates for finding jobs in B.C.

Canadian work experience

International students studying at VCC may be eligible to work in Canada during their studies and after graduation.

Practicum and internship opportunities

Many of VCC's programs provide students with the opportunities to gain practical experiences during their studies. Graduates with related experiences are more competitive in the labour market.

Working off-campus

International students may be eligible to work off-campus when studying at VCC. For details, visit the website of Immigration, Refugees and Citizenship Canada at ircc.canada.ca.

Post-graduation work permit (PGWP)

International students may be eligible for a PGWP after completing a full-time and PGWP-eligible program at VCC. Visit vcc.ca/ie-pgwp for more information.

University transfer

Students take first- and second-year university courses in small, flexible classes with attentive instructors. Credits transfer to post-secondary institutions across Canada.

Quality and dedicated instructors

Learn from the best. Our instructors are highly qualified experts with real-world experience in their fields of expertise, and many have won national awards. Small classes will ensure you get personal attention from your instructors and have the opportunity to interact with classmates.

Industry recognition

Our strong partnerships with business and industry ensure your training and skills are relevant and in demand.

VCC Programs

VCC offers a wide variety of full-time programs for students to gain skills and knowledge for employment. Credentials range from certificates, diplomas, associate degrees, bachelor's degrees, and post-degree diplomas.

Testimonials

What do VCC students have to say?

"I love the cultural diversity at VCC. I met people and made friends from all over the world and I learned so much from them! The instructors here are very encouraging."

Juliana Jara
Jewellery Arts graduate

"I had no commercial kitchen experience prior to coming to VCC. With the guidance of the instructor chefs, I've gained so much from their mentorship, even winning a gold medal in an international competition."

Justin Lu
Asian Culinary Arts graduate

"What I enjoyed the most about my time here is that everyone starts at the same base level, no matter your background or experience."

Ratanawan (Lily) Choowatanakiat
Baking and Pastry Arts graduate

"I'm so thankful for the real-world exposure I got from my program at VCC. The support, feedback, and mentorship was invaluable."

Jaya Grewal
Fashion Design graduate

"VCC really changed my life. I almost gave up on my dreams. But the instructors truly believed in me and saw my potential and inspiration to my community."

Vicente Teng
Graphic Design graduate

"The people, culture, and atmosphere here all really set us up for success. I received very practical career and job hunting advice, which led me to my practicum."
